

Elixium takes next steps in delivering global collateral marketplace

- Elixium incorporates in Paris for its new European base
- Elixium North America receives ATS authorisation from FINRA

November 8 2017: Elixium, the global all-to-all secured financing and collateral marketplace, announces that it has incorporated Elixium S.A. and selected Paris as its base for European operations.

Elixium Group also announces that Elixium NA has received approval from the Financial Industry Regulatory Authority ('FINRA') to operate their Alternative Trading System ('ATS') in the US. This is the first electronic all to all Repo platform to receive FINRA approval.

Elixium provides liquidity by allowing counterparties to view and execute transactions directly within a regulated environment that:

- Is transparent, unbiased, and free to join
- Has a flexible, client driven trading interface
- Provides multiple execution options
- Gives pre-trade anonymity and a credit framework where participants control credit and counterparty limits
- Is based upon secure, cloud-based technology with industry standard governance, controls and audits

- ends -
